I've suggested some language in the Sharepoint version dated 3-16-16 (I tried to delete the 1-15-16 version to avoid confusion, but it says Bruce Moore is editing it – I suspect he just forgot to close it yesterday). Dee, I'll let you decide if you'd rather go the less detailed route that Jody suggests.

Thanks,

Claudia

Hi Claudia,

I haven't seen anything besides Darryl's email. I would just change the first sentence in 12866 to read that "this action was determined by OMB to be significant and OMB will review the rule." Is that what you were thinking?

I have a meeting from 9:30-11:30, but I can work on it after that. Let me know.

Thanks,

Jody

Does anyone have more information on the significance determination than just Daryl Adams' email telling us it was determined significant by OMB? Is there an official document?

Thanks,

Claudia

Hi Regina,

Thanks for your email. Our understanding, based on information from ORC, is that the RA can sign this FIP. (Claudia/Jody, please correct me if this is not the latest information) I am cc'ing folks who can address your other questions.

Chris – could you please provide Regina with an update on the ICR?

Jody/Claudia – could you please work on updating the language for EO 12866?

Thanks,

Dee

Hi Dee – Thanks for the memo and the updated version. Couple of questions – the Administrator is signing, correct (not the RA)? And, has the ICR been submitted to OEI? Also, we will need to include updated language for EO 12866 – this action was determined significant by OMB on 2/1/16.

Thx rc

Hi Regina,

As we chatted about earlier today, I am attaching a revised version of the U&O FIP, which includes further comments from OAQPS, and the signed transmittal letter. Let me know if you have any questions or need anything else from this end.

Thanks!

Dee
